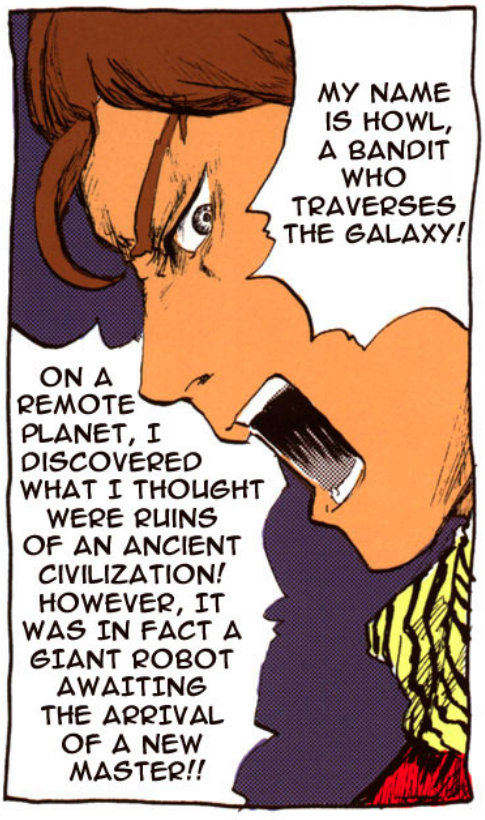
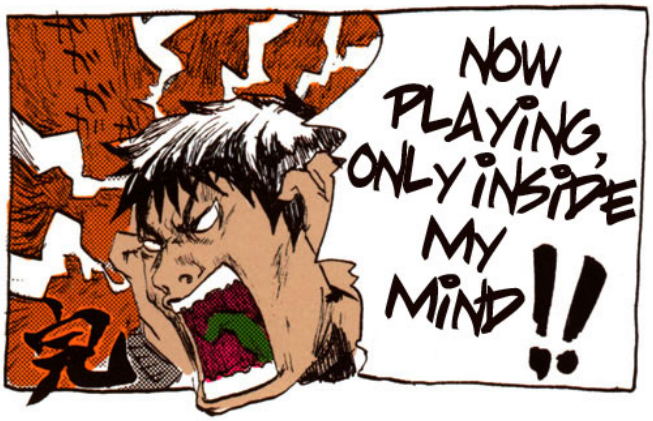
DEFEAT THE GALACTIC EMPRESS YUBABA, RULER OF THE UNIVERSE!
I think I'm confusing this with some other movie...



MY NAME IS HOWL, A BANDIT WHO TRAVERSES THE GALAXY!
ON A REMOTE PLANET, I DISCOVERED WHAT I THOUGHT WERE RUINS OF AN ANCIENT CIVILIZATION! HOWEVER, IT WAS IN FACT A GIANT ROBOT AWAITING THE ARRIVAL OF A NEW MASTER!!



NOW PLAYING, ONLY INSIDE MY MIND!!
